

A huge thank you to all who made our Barnabus 10K Sponsored Fun Run at Heaton Park so much fun!

Congratulations and heartfelt thanks to all our Runners, Corporate Supporters, Volunteers and Sponsors, you all helped to make our first ever 10K Sponsored Run on the 21st August, 2010 such a memorable and successful event. We've had fantastic feedback and are now planning to hold this annually at Heaton Park. Special thanks go to Manchester Central Fire Station's Blue Watch who amazed us all by running in full fire-fighting kit on such a hot day and congratulations to Gary Mallinson (No 23 pictured below centre) who took first place with an impressive time of 44 minutes, 4.11 seconds.

Please continue to support us online www.justgiving.com/Team-Barnabus money is still being pledged and we're up to around £4,200 could you help us make it £5,000.

If you would like to take part in our next event or hold a fundraiser/sponsored event of your own; visit our website www.barnabus-manchester.co.uk for ideas and latest event information or email us, we will support you in every way we can.

Our corporate supporters donated their time, services and goods generously blessing us with; t shirts, t-shirt printing, banners, balloons, water stations, pre-run warm up, massage, energy drinks, design, signage & timing of the event.
